

September 6th, 2019

Mrs. Chedsey's Class Newsletter

Learning Objectives

Reading: Students will read a variety of texts that provide opportunities to analyze the author's purpose, identify the point of view, and recognize figurative language. Students will also focus on informational text while identifying the central idea and text features.

Writing: Personal Narratives & Informational Text—Students will learn about sentence structure, parts of a sentence, punctuation, sentence fragments, proper nouns, and verbs.

Math: Students will use their knowledge of place value up the billions to represent, compare, add, subtract, and estimate whole numbers and decimal numbers.

Science: Students will engage in investigations, analyze information, and make informed decisions using the scientific method. Students will also identify how matter is classified, changed, and used.

Social Studies: Students will research Texas symbols and flags.

Health: Students learned what it takes to be a Digital Citizen. Students will also learn about healthy eating habits and behaviors to help you stay healthy.

Questions to ask your child:

Give me an example of figurative language.

What are the three reasons for identifying the Author's Purpose within a story.
(Persuade, Inform, or Entertain.)

What is the value of the underlined digit in 3,460?

What is the difference between a sentence and a fragment?

How do molecules move in a solid, liquid, and gas?

What is one thing you learned about digital citizenship?

Tell me about the Texas symbols you are researching.

Reminders:

- Please remember to review and sign your child's yellow behavior form each weekend. The form needs to stay in their Red Folder.
- The Red Take-Home Folder should be returned to school each day.

Important Dates:

September 6th - OHE Ice Cream Social (6-7:30pm)

September 23rd - "No Hassle" School Fundraiser Deadline
